

**OUR LITURGY**

In today's reading from Samuel, we hear that God designated David as *shepherd* of Israel. His kingship is established in the midst of the people. In the Gospel, Jesus, the King of the Jews, is acknowledged by the *good thief* and Paradise is promised to him. Paul reminds us that Jesus gathers all peoples to himself that all might be reconciled into the kingdom of God.

## FROM THE DESK OF FR. MIKE

This Sunday we celebrate the *Solemnity of Christ the King*, which is the last Sunday of the Liturgical Year. It is appropriate to remember Christ as our King on this Sunday because we are about to make a transition from one year to the next. This is a good time to look back on the past year and see how well we have made Christ the true center and focus of our life. Why, because Christ is a king unlike any other king in human history. He does not mount a throne made of silver or gold or adorned with precious stones, no his throne is made out of wood- the wood of the Cross! Christ is a king unlike any other king because He does not laud His power and authority over us, no He tells us He has come not to be served, but to serve! Christ is a king unlike any other for His Kingdom is not of this world, but it is the Paradise promised to the Repentant Thief on the Cross-that which is promised to us all! With a king like this why wouldn't we want to make Him the center of our life, and why wouldn't we want to change the places in our life where He is not king?

Unfortunately we allow other kings to rule our lives, we allow them at times to totally take us away from Jesus-the one who will truly make us happy in this life and in the next. Take time this week and during the first two weeks of Advent to see where you let other things interfere with Jesus as your King. Ask the Holy Spirit to help and guide you, and to free you from the false kings of this world. Ask your family (your immediate and parish families) to pray for you, and likewise pray for all others- so that we can all truly follow **Jesus the King of Kings!**

With the coming of the *Advent and Christmas Seasons*, we will offer more opportunities for prayer and getting together at the parish. We will be placing in the Church the Annual Giving Tree in which people can take tags, which have written on them what a family in need has requested, and we will have our Advent Booklet of Prayer (found in the back of the Church). On Saturday Evening December 4<sup>th</sup> following the 5PM Mass, we will have our Annual Lighting of the Outside Parish Christmas Tree(s). Join the Parish Family for some singing, hot chocolate, cookies and some pre-holiday fun. On Saturday December 11<sup>th</sup>, from 9-11:30 AM in the Parish Hall, we will have Breakfast with Saint Nicolas-see details in the Bulletin and in the recent

Parish Mailing.

During the **3<sup>rd</sup> Week of Advent**, we will have 3 Evenings of Prayer and Reflection conducted by the Priests of the Parish. **Mark your calendars for Tuesday Dec. 14<sup>th</sup>, Wednesday Dec. 15<sup>th</sup>, and Thursday Dec. 16<sup>th</sup>-these will begin at 8 PM and go for about 45 minutes.** Once again we are asking for you to send in your family pictures so we can place them on the altar for Holy Family Sunday (which this year is the day following Christmas), please send your pictures to the Rectory care of Fr. Mike. On Sunday January 9<sup>th</sup>, The Feast of the Baptism of the Lord, we will again invite the families of those (Infants and Young Children) who were Baptized here at St. Joseph's during the 2004 Calendar Year to the 12 Noon Mass for a very special blessing-fellowship will follow in Carew Hall after the Mass.

Don't forget *Backwards Drawing Tickets* are on sale at this very moment, and don't forget the grand prize of **\$10,000**, who couldn't use that money to pay off some bills or maybe take a much needed winter vacation. Also, remember there are **15 other cash prizes**, door prizes and a great parish party that's all part of the package. Purchase a \$100 ticket (remember there will only be 500 sold) and 2 people are entitled to automatically come to the party-other people can attend for a mere \$10 more a person. Don't forget you can split the cost of ticket over as many people as you want-of course you will have to decide how you're going to split the prize money. But none of this can happen unless you are a part of it-so buy early and buy often! Remember you will also be supporting a great cause, **OUR BELOVED ST. JOSEPH'S.**

Let us pray; *Almighty and merciful God, you have raised Jesus from death to life, broke the power of evil, and make all things new. May all in Heaven and Earth acclaim your glory and never cease to please you. Open our hearts; free the world to rejoice in your peace and love. Bring all humanity together in Jesus Christ your Son, whose kingdom is with you and the Holy Spirit, one God, forever and ever. Amen*

Fr. Mike

### RESPECT LIFE

From the Chicago Sun-Times of March 25, 2001, Betsy Hart writes:

"The right-to-life movement seems to be the most vilified movement in our popular culture today. But over and over again I'm struck by the same thing: the cause of the pro-life activists is profoundly unique: There is no personal gain for those involved. The concern is for others, including those who cannot speak or care for themselves.

The pro-life community consistently demonstrates its love for both the unborn and their moms, which is why there are some 3,000 crisis pregnancy centers in the United States, not one of which takes a dime from the women they help with their unexpected pregnancies. Their help can include medical expenses, clothing, adoption services if that's a choice, often even jobs and housing. Anything the expectant mother needs to truly have a choice about her own and her baby's future is provided. This costs a lot of money and it's privately raised from loving supporters who want to help women and their unborn children.

In contrast, almost 1.4 million abortions are performed in the U. S. each year, for which an average fee of around \$300 is routinely charged the "customer". Often. That customer is the government. In some states Medicaid pays for up to half of all abortions, while they don't pay for the services of the crisis pregnancy centers. In any case, the high volume and quick turnover ensures a profitable business, the name of the game for the abortion industry. I can't help but wonder - if abortion activists really care about the women involved, why don't they volunteer services and facilities to all of them as the pro-life folks do? Why not at least "help" the poorest women instead of demanding that taxpayers fund their abortions?

The answer speaks volumes about their motives. So does their campaign of disinformation.

(To be continued.)

The December Life News will be prepared for mailing to over 11,000 homes on Saturday, November 27, from 8:30 am until about 1:00 pm. If you can, if you're not too full of turkey, please come down to the Old School Gym and give us an hour or two of your time. A complimentary lunch is served, and the coffeepot is always on.

St. Joseph's Respect Life Committee will meet on Thursday, December 2<sup>nd</sup> at 7:30 pm in the room beneath the Gym stage.

The question is: When does a developing baby's heart begin to beat?  
The answer is : At 21 days.
