

FROM THE DESK OF FR. MIKE

Who made us? *God made us.* **Who is God?** *God is the Supreme Being, infinitely perfect, who made all things and keeps them in existence.* **Why did God make us?** *God made us to show forth His goodness and to share with us His everlasting happiness in heaven.* **Is there only one God?** *Yes, there is only one God.* **How many persons are there in God?** *In God, there are three Divine Persons-The Father, The Son, and The Holy Spirit.*

Ok, ok enough of the *Baltimore Catechism* lesson, but for those of us who began our Religious Education with the Catechism it was a trip down memory lane. But, we should keep in mind, that the Catechism tells us a great deal of what we are celebrating today-God as God truly is. Granted we do this every day, but this **Trinity Sunday** reminds us in a special way the true nature of the **One God in Three Divine Persons**. Our God exist in a sense as a Community, but of course, there is only One God not three. And while the 3 Divine Persons are distinct from one another (in the fact that the Father is not the Son, The Son is not the Father, The Holy Spirit in not The Son of The Father, etc) they are still the One God. As God, all three persons are: all powerful, all knowing, omnipresent, and perfectly equal to each other-again because they are all the One God. (Right now, the computer I am writing this letter on is having a tough time figuring out what I am saying as the grammar check keeps coming on-but what do computers know?)

Why is this important to know or at least have an idea about-because for most of us, it is completely confusing. It is important because we must remember that we are made in the Image and Likeness of God, so the more we know about God the more we know about ourselves! Now, comes the question-how did we come to know about God existing in Three Divine Persons? Only through Jesus Christ! The people of the Old Testament did not know God in this way, it is only through the Divine Revelation given to us in the Words and Actions of Jesus that people began to understand this about God. The Apostles and the early Church asks the question, how could Jesus suffer and die on the Cross, Rise from the Dead and appear to us? The answer they receive is only through the power of God. For when they saw the Risen Lord, they realized that He was more than one sent by God, but was indeed God Himself. They began to better understand the Words from John's Gospel when Jesus told them that He and the Father were one. They began to better understand the Words that Jesus spoke to Mary Magdalene on the first Easter Sunday- I am going to my Father and their Father to my God and your God. They began to understand that Jesus did have a totally different relationship with God. So then came the question, how

can Jesus both be 100% God and 100% Human, how could God do that? Of course, through the power of the Holy Spirit they began to understand that God was indeed more than even our Jewish Brothers and Sisters realized. That God existed, as we now know in the Three Divine Persons.

Now back to the question as to why God made us. God made us to show forth His goodness and to share with us His everlasting happiness in heaven. God creates us to share with us His Eternal life and love, and He would not have anything interfere with this desire. Even when Original Sin entered, the Human Family He would not stop this goal from happening. So, the Father sent the Son to become one of us and to save us and restore us. When the Son's mission is accomplished than He and The Father, send the Holy Spirit upon the Church so that we can constantly feel the presence of the Son who continually leads us back to the Father.

Now, which person of the Blessed Trinity is at work in achieving our Salvation? The answer is of course all Three! All of God is actively involved in our Salvation, for all of God loves us so much that He will stop at nothing to save us. Thus, it is not just the work of The Son or The Holy Spirit or The Father but all of God! We have much to celebrate today.

Next weekend we celebrate the **Feast of Corpus Christie, The Body and Blood of Christ**. As we mentioned before, we will have a special procession with The Blessed Sacrament on the grounds of the Church, following the **12 Noon Mass**. We will erect 3 Small Altars in front of **Outreach, the Parish School (lower building) and the Rectory**-representing all of the various ministries that can be found here at St. Joseph's. The final Benediction and Reposition of The Blessed Sacrament will take place on the Main Altar in the Church. In the event of rain, we will have a Simple Procession through the Church with the Blessed Sacrament. **We ask that if you are attending the 12 Noon Mass, but are not staying for the Procession, that you not park your car in the lots behind the school or rectory-as your pulling out of these lots will interfere with the Procession and put people at risk-thank you!**

Let us pray, God, we praise you: Father all-powerful, Christ Lord and Savior, Spirit of Love. You reveal yourself in the depths of our being, drawing us to share in your life and your love. One God, three Persons, be near to the people formed in your image, close to the world your love brings to life. We ask you this, Father, Son and Holy Spirit, one God, true and living, forever and ever. Amen

Fr. Mike

RESPECT LIFE

Understanding Adult Stem Cell Research:

ADULT STEM CELLS come from adult tissue, for example, liver, bone marrow, skin, skeletal muscle, intestine, brain, dental pulp, nasal cavity, placenta, umbilical cord blood,

body fat, hair and more!

Some adult stem cells are undifferentiated and can renew themselves and differentiate to provide the major, specialized cell types of tissues or organs. Collecting them DESTROYS NO HUMAN LIVES.

In humans, adult stem cell therapy has successfully treated:

Cancers: lymphomas, ovarian cancer, leukemia, breast cancer

Autoimmune disease: multiple sclerosis, rheumatoid arthritis

Parkinson's: retinal stem cells, patient's neural stem cells

Wound healing: bone marrow stem cells stimulate skin healing

New blood vessel growth: for gangrene prevention

Skin: grafts grown from patients' hair follicle stem cells.

THE USE OF ADULT STEM CELLS, usually the patient's own, are now the most valuable for therapies as they:

- >Have ability to generate virtually all adult tissues
- >Can multiply almost indefinitely, providing numbers sufficient for clinical treatments
- >Have proven successful in laboratory culture
- >Have proven successful in animal models of disease
- >Have proven successful in current clinical treatments
- >Can "home in" and target damage
- >Avoid problems with tumor formation
- >Avoid problems with transplant rejection
- >Avoid ethical quandaries

Catholic Ministries Appeal 2005

A vital ministry aided by the **Catholic Ministries Appeal** is the diocesan Respect Life initiative, which addresses the key issue of emphasizing our awareness of the culture of life. In their advocacy role, Mary Bossart and Madelaine Willi, our Respect Life co-directors, coordinate efforts to gain support among political leaders in Albany and Washington. The annual March for Life in Washington, which brings together thousands throughout the U.S. sharing concerns about the sanctity of life, always witnesses a strong presence from our Diocese. What is especially encouraging is the number of young people responding to the call to action and participating in this important event.

Respect Life also sponsors an annual convocation on topics

of current interest, including the end-of-life issues of nutrition and hydration that arose in the highly publicized case of Terri Schiavo. If we are to foster the culture of life, we need to educate our fellow parishioners on the sanctity of life and we are able to do this because of the Respect Life initiative. In all that Respect Life does there is a common thread—human life from conception to death is a precious gift from God and, as such, is to be accorded the utmost respect and dignity.

Without your financial assistance, this critical ministry could not exist. Please give as generously as you can to the **Catholic Ministries Appeal**.

Current statistics:

Total pledged: \$8,808,904
 Number of gifts: 35,734
 Average gift: \$247
 Number of parishes over goal: 54

We are so very thankful to everyone for all of their support and prayers. Please remember that it is not too late to help us. Many parishes are very close to reaching goal. Whatever the size of your gift, it is useful and keep in mind that all monies collected by the Catholic Ministries Appeal directly benefit the vital ministries of Catholic Charities, religious education, Catholic schools, pastoral outreach, formation and our parishes.

Best Wishes To Mrs. Salvietti

The students, alumni, and parents of St Joseph's and it's surrounding communities are grateful for the many years of service of Mrs. Salvietti. Please join us in worship and thanksgiving at the 12:00 Mass on May 22. Immediately after Mass there will be refreshments in Carew Hall to honor Mrs. Salvietti for her extraordinary dedication and loving guidance to us and to wish her God's choicest blessings in her well earned retirement.

Why was there a helicopter circling the Church area on Sunday afternoon? Was it the police looking for bad guys? Was it an EVAC for Fr. Paul after eating that pepperoni? No, it was our own Jim Mooney, CEO of *Eagle-Eye Aerial Photography*. Jim generously donated his time and resources to provide the parish with 10 photos showing a current aerial view of our parish plant and its surroundings. Over the years Jim has donated other aerial photos of the Church to us and it is interesting to see how our plant changes. In this set of photos you can see our new roof in its full splendor and our two-story school building cleared of an unsightly and aging TV tower. The photos will be available for all to see on our parish website <http://stjorank.org>. THANKS, JIM...

From Russia With Love

May the Peace of the Lord Jesus Christ be with you,

Thanks be to God, all together we raised \$3700! The Lord is faithful to his people, and you will be truly blessed for your generosity. Our Lady has a special heart for the conversion and unity of Russia, as made clear by our previous Pope John Paul II who consecrated Russia and the whole world to her Immaculate Heart! Mary has sent us to Russia through your humble self-giving! Without you we would be lost. There is no words to describe the joy in my heart for the gift that is given to the people of Russia, and it is thanks to you. For this reason, we will be continually praying for you and your loved ones, that your generosity may be blessed many times over.

I would also like to publicly thank my brother Kevin for his generous, and kind heart, and for taking time out in his busy schedule of work and school to talk on my behalf. I know if it wasn't for your combined generosity, and the Lord's faithfulness this mission would not be a reality.

Sometimes in times of doubt I remember Jesus' last words on the cross "My God, my God, why have you abandoned me. I can not look past the cross of his suffering which leads to the resurrection; but then He reminds me to look to the Lord in thanksgiving as in psalm 22 "For god has not spurned or disdained the misery of this poor wretch, did not turn away from me, but heard me when I cried out. I will offer praise in the great assembly; my vows I will fulfill before those who fear him. The poor will eat their fill; those who seek the Lord will offer praise. May your hearts enjoy life forever!" God Bless you and thank you for being an instrument of God's faithfulness, and love!

Sincerely, Bryan G. Kwasnik
