

OUR LITURGY

In today's first reading we hear of the selection of Matthias to return the number of Apostles to twelve. In his letter, John speaks of the nature and being of God. He says that God is more than loving-*God is love*. In the Gospel, Jesus prays to His Father for his disciples- as they remain in the world, may they be protected from all it's evil.

FROM THE DESK OF FR. MIKE

Jesus in today's Gospel prays to the Father and asks the Father to consecrate the Apostles in truth and protect them from the world. In fact in other verses from this Chapter, Jesus even tells the Father that He is not praying for the world, only His Apostles. Why? Well Jesus tells us that the Apostles like Himself, while in the world, do not belong to the world. Yet, Jesus asks the Father not to take the Apostles out of this world, but to protect them so that they could go out and change the world. As Jesus prayed for the Apostles, so does He pray for us as we remain in this world and try to change it to be more and more into the image of Christ-the word of The Father.

Thus, if we likewise do not belong to the world, yet we live in it, what is the meaning of the world in this context? Jesus is not speaking about the Earth per say, as much as He is speaking about the power of sin and darkness. In the ancient Jewish Tradition and likewise for John, the world refers to anything that is hostile to God or under the power of Satan. We are in a battle (if you will) that we must fight, constantly going against darkness with the tools of light, life, and truth-in short the **Gospel!** But, if the world hates us, why should we try to change it? Well for the very reason why Jesus came into the world in the first place- **Love!** The love, that John tells us in his letter that God is. As he writes, God loves us, so we must love one another, and when we do God remains in us and His love is thus brought to perfection within us. We can't truly say we love Jesus and acknowledge Him our Savior unless we, out of love, do our best to fight the power of darkness and spread the Good News.

This weekend is *Memorial Day Weekend* and we as a nation remember all who out of love for this country (and all the good things it stands for) made the ultimate sacrifice. We remember their sacrifice and pray for them and their families, especially those who are giving up their lives as we speak in the Middle East Wars.

Next Sunday June 4th, we celebrate the Great Feast of Pentecost and the ending of the 50 Days of Easter! Pentecost is the day which the Holy Spirit was sent upon the Church in order to empower the Church to do just what Jesus asks the Father to do for the Apostles and us to go out and spread the truth. Since this a day of The Holy Spirit, and the color for the day is Red (the fire, love, and power of the Holy Spirit), maybe you might want to consider wearing red on this day- I will! Each year on the Feast of Pentecost, *Bishop Murphy* gives the Priest Celebrant of the Mass the Faculty to administer the Sacrament of Confirmation on those who were Baptized Roman Catholic, received First Communion, but never were confirmed. We will be doing this at the **12 Noon and 5**

PM Mass next Sunday. Please pray for those who will be completing their full initiation into the Church. At the **9 AM Mass** we will pray especially for the Graduating Class of *St. Joseph's School*. Please pray for them and all from our parish, who will be graduating from Kindergarten, Elementary School, Middle School, High School and College.

On Sunday June 18th, we will celebrate the *Solemnity of The Most Holy Body and Blood of Christ (Corpus Christi)*. This year the Diocese will participate in its First Eucharistic Congress. There will be many events throughout the Diocese (see *The Long Island Catholic* and the Bishop's Letter in the bulletin for details). Here at St. Joseph's we will have several Holy Hours and on the 18th, following the 12 Noon Mass we will have a Procession with The Blessed Sacrament stopping at several spots on the Church Grounds that represent the various ministries in the Parish that help minister to the needs of The Body of Christ. We will also stop in front of The Knights of Columbus Council in recognition of the great work The Knights of Columbus do for the parish and the church as a whole. We also thank **The St. Regis Council of The Knights of Columbus, The Columbiettes, The Matola Family, and Mr. Philip Lombardi**, for donating the funds for the Beautiful Baldechino we will use in the Procession of The Blessed Sacrament.

It's almost Summer Family Festival Time and dates for the Festival are: Wednesday July 19th- Sunday July 23rd. As usual, we will have rides, great food, Vegas Nights, Great Basket Raffles, a Nightly 50/50 Raffle and the Grand Prize Raffle! This year the Grand Prize Raffle Tickets will be the same as last year \$20 for one and 6 for \$100. We have sent each registered family 6 tickets and we hope that you can buy all six or perhaps help sell the six with your family or friends. The Summer Family Festival is one of the two major Fun and Fund Raisers for our parish, please help us with the Raffle Tickets and come out and enjoy the Festival. Also in our bulletin we have listed all of those businesses that have already sponsored the Family Festival, please thank them for their great generosity to St. Joseph's by patronizing them.

Happy Easter

RESPECT LIFE

In March of 1995 Pope John Paul II published his 11th encyclical, "The Gospel of Life." And in it he was as clear as crystal about abortion, euthanasia, and the inherent dignity of a human life. It is here he first used the phrase "the culture of death." And what is that? It is a culture that sees moral wrongs as human rights, that sees the ending of human life in the womb as a legitimate and protected choice, or the ending of a feeble life as acceptable, as practical and even humane. But human beings are not to be judged as "useful" or "useless. A society that does not hold human life high and inviolable summons its own destruction.

Abortion, the pope declares, is gravely immoral because it is the deliberate taking of innocent human life. Likewise, euthanasia is immoral. Both deny human "solidarity." Both are at odds with the respect and protection we owe our brothers and sisters in life.

Pope John Paul says that all have a right to life. Babies in the womb have a right to be alive, be born, and walk the earth. We all of us have a right to be sick, damaged, unwell. We don't have to be perfect to merit life; we can be imperfect, ungainly. We all have a right to be old if we are given to grow old. These circumstances – innocent vulnerability, illness, old age – are normal, not unusual or extraordinary, not a threat to the enjoyment of life but part of life on earth, part of its tapestry, and an expression of God's wishes: that we live.

Be warned: there is a plan afoot to seek a ballot initiative authorizing the state of New York to borrow \$1 billion to fund embryonic stem cell research. One of the candidates for governor is Eliot Spitzer; with his running mate Senator David Paterson, he proposes to make embryonic stem cell research "legal, vital and ethical." They have developed a 5-point plan to support that goal. If elected, they plan to: >Pass laws to allow the "left-over" embryos in fertility clinic freezers to be dissected and destroyed for research; >Ensure that cloning for research purposes is protected in law; >Craft "guidelines" for human embryonic stem cell research; >Commit \$1 billion over ten years, with voter approval, to support stem cell research; >Establish a "Stem Cell Commission" to hold researchers accountable to the "ethical" guidelines noted above.

Religious Retirement Fund

The weekend of June 3-4 is the annual collection for the Religious Retirement Fund.

Religious Sisters and Brothers who have been involved in education, health care and social ministry in the Diocese of Rockville Centre need our help. The stipends being earned by young members of religious communities are no longer enough to support the needs of the elderly members of their Communities. The number of elderly Religious in assisted living or nursing facilities continues to rise and health care costs are rising too.

For this reason, the Diocese of Rockville Centre, for the past twenty-one years has committed to return to our Religious Communities a portion of our gifts of treasure, in appreciation for the many years of service to the people of our Diocese of these dedicated servants of Our Lord.

Please come prepared to assist the elderly Religious on June 3-4, with a once a year gift, as generous as your means will allow. These gifts will be distributed among the thirty-one communities who serve our Diocese.

On behalf of the Religious who serve in our parishes and hospitals, we thank you for your generosity.

Ronkonkoma Firehouse

A night of comedy will be held at the firehouse on Portion Rd in Lake Ronkonkoma. Tickets are \$35 each. For more information call Tom Peshkur at 732-5040 or Gail Griffin at 737-1461.

Grace Catherine Peshkur was born on March 29th, 2002 with a rare, devastating genetic disease. She has the worst possible form of Epidermolysis Bullosa (Recessive Dystrophic). Her condition is so rare that the medical community has difficulty treating it at times. Grace has blisters all over her body as well as internal problems. She has special bandages that must be wrapped around most of her body twice every day. The "dressing" changes require 4 adults and last anywhere from one to two hours. Because Grace needs constant care, Grace's mother is unable to work. Her father works full time for Verizon. Still, he devotes long hours to tend for his daughter. As you can imagine, this is a very difficult way to raise a newborn. Please keep Grace and her family in your prayers. For the millions of you who have healthy newborns, babies, toddlers and children, be thankful every second, every minute, every hour and every day for God's blessings.

BOX TOPS from cereals for Educational purposes are always welcomed. Please drop them in the collection.

DEPOSIT BOTTLES AND CANS—Please place them in the baskets that are located on the school side of the Church on weekends or behind the rectory during the week.

CELL PHONES—Please bring your no longer used or needed cell phones and deposit them at the Scrip table in the Church lobby.

Even Used Inkjet Cartridges, Have Their Uses

We have found a way to help St Joseph and keep those complicated pieces of plastic, metal and printed circuit boards out of the land fill. Drop them off (in a plastic baggie) when you come to mass. We will send them to a company who reuses them and gives the parish a bounty for each. One note, to clear confusion, if it is larger than a fist, it is not an inkjet cartridge!!!
