

OUR LITURGY

Unlike the self-serving shepherds that Jeremiah describes, Jesus is the Good Shepherd who pities the crowd because they are like "sheep without a shepherd." Jesus and the disciples put the needs of others ahead of even their own need to rest. Paul tells us that Jesus came to the Jews and the Gentiles - to those who are *near* and those *far off*.

FROM THE DESK OF FR. MIKE

This week's Gospel Reading continues where last week's left off. If you will recall, Jesus sends the Apostles out 2 by 2 to preach the Good News. He gives them a share in His power and authority to cast out demons and heal people. This is the very same power that He gives to the Church as He ascends into Heaven. In fact last week's Gospel passage does indeed show Jesus' plan for what the Church is and what we are to do long before the events which took place on the first Holy Thursday, Good Friday and Easter Sunday. Now this week has the Apostles coming back and they are very tired, but at the same time very excited. They can't wait to get back to Jesus and tell Him, all that they did. Likewise, Jesus is equally excited to hear how they spread the Good News and how their faith grew in God the Father, and of course the one the Father sent! Tell me all about it Jesus said and let's go off to a place where we can be alone and you can rest.

However, as the Gospel hints, the Apostles were so successful more and more people came to believe in Jesus and wanted more than just hearing about Him from the Apostles. No, they wanted to see and hear Jesus for themselves, **and they wanted to see Him now!** Imagine the mixed emotions Jesus experienced, for He wanted to go away with the Apostles, but He could not leave the people alone who came from far and wide to see Him. As we are told, Jesus took pity on them for they were like sheep without a shepherd, and Jesus is indeed the Shepherd that Jeremiah foretold about in today's 1st Reading. Thus Jesus does what any Good Shepherd does, He cares for His sheep.

If Our Lord did that for the people 2000 years ago, think of how

much more He does for us now as He reigns from Heaven. Think how much more Jesus cares for His Sheep through His Living Body the Church and through the shepherds He appoints over His Church. But remember we are all to

shepherd and care for one another-that is what it means to be a member of Christ's Body the Church.

Today is the last day of our 11th Summer Family Festival and we have had a great time so far! **Tonight at 10 PM we will pull the winning Raffle Ticket for the Grand Prize Raffle of \$5000 1st Prize and \$2000 2nd Prize.** There are still tickets available so increase your chances of winning by getting a few more. The more tickets you have, the greater chance you have to win and support a very good cause, our beautiful parish. When we have the final results has to how we did, we will let you know. Thank you, to all of our Nightly, Booth, Games, Entertainment and Overall Sponsors for all of your help, without you we could not do it. Thank them by patronizing their businesses! Thank you, to all of our **Volunteers, Team Captains, Coordinators, and Staff Members**, that have worked so hard to make the Festival a success. God bless you all!

Next Sunday speaking at all of the Masses, we will have *Sister Rosemary Hayes* from the *Sisters of the Holy Child Jesus*. Sister is a missionary who has served the Church in Africa for more than 21 years, and will be speaking to us about her experiences and asking us for our prayers and financial assistance for the work of her Order. There will be a second collection taken up right after the 1st Collection at the **Preparation of the Gifts (Offertory Time).** **Thank you, for your generosity.**

Also mark your calendars for the Monday Evenings of August for Rosary on The Rectory Lawn starting at 7 PM. Bring a lawn chair or blanket, a dessert for fellowship afterwards, and come join your parish family for the praying of The Rosary, singing some hymns and listening to the Word of God. In the case of rain, we will move into the Church with fellowship in the lobby.

God bless you for all you do for our wonderful parish.

Fr. Mike

RESPECT LIFE

The following story comes from a pamphlet from the Respect Life Office of the Diocese of Rockville Centre and illustrates one more dilemma regarding embryonic stem cells: "A few years ago six-year old Molly Nash was diagnosed with a fatal condition

called Fanconi Anemia. A bone marrow transplant from a sibling was her best bet for a cure. Molly was an only child. So her parents decided to have another baby hoping, after its birth, to use the placenta and cord blood for a stem cell transplant for Molly. The parents used a technology called "pre-implantation genetic diagnosis" to check that the new baby didn't have the same disease as Molly and that there would be a good match for the transplant. A few weeks after baby Adam was born and after careful screening, his stem cell transplant was given to Molly. The good news is that baby Adam is flourishing and Molly is improving, with a positive prognosis. But this case raises ethical difficulties. Apart from the obvious issue of parents having a baby to provide a transplant for a sibling, the scientific concern here is that several human embryos were created via in-vitro fertilization to find the best match for Molly. As a result, only baby Adam was born and the other embryos were discarded, thrown away, as useless.

Creating and then destroying human embryos in this manner fundamentally compromises respect for human dignity and the common good. No intended harm to a human fetus can justify therapy for another, even a sibling with a fatal disease.

The fundamental ethical compromise in stem cell research is this: **any technology that creates or destroys human embryos for the purpose of medical research constitutes an egregious assault on human dignity and the common good.**

The hope of **adult** stem cell research is the promise of effective new therapies that both respect human dignity and protect the common good.

Dr Gerard Magill, PhD, is the author of the pamphlet & the Executive Director of the Center for Health Care Ethics & the Department Chair of the Center's interdisciplinary PhD program. The Center is located in the Health Sciences campus at St Louis University.

"Before I formed you in the womb I knew you, and before you were born I consecrated you." Jeremiah 1:5

Reverend Michael T. Maffeo

Dear Father Maffeo:

Congratulations and many thanks! Your parish has reached its Catholic Ministries Appeal goal in pledges. A goal of \$74,800 and a reported pledge total of \$76,239 is a wonderful tribute to you and your parishioners. Thank you for your dedication to this important initiative.

As you know, due to your parish's special efforts you will share 80% of the funds raised in excess of your goal. Additionally, if the number of gifts over \$50 increases by at least 10%, your parish receives an even greater share of the over goal funds.

I am deeply grateful to your parishioners for their generosity, which is directly supporting important ministries in your parish as well as throughout the diocese. I sincerely thank you and your team for everything you have done to support the work of the church on Long Island.

With my prayers and best wishes, I am

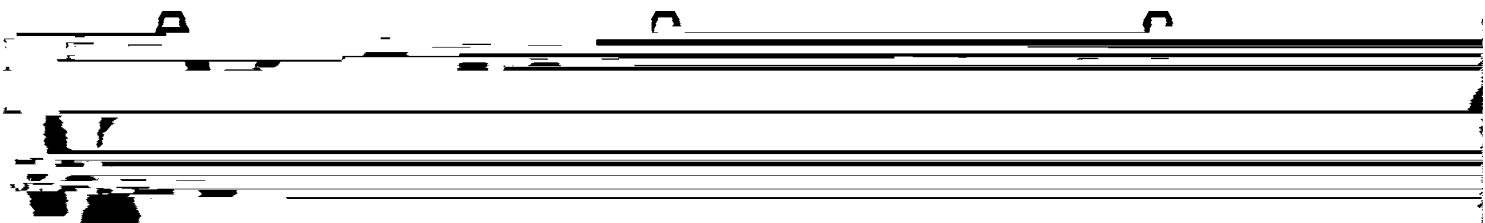

Fraternally yours in Christ,

BOX TOPS from cereals for Educational purposes are always welcomed. Please drop them in the collection.

DEPOSIT BOTTLES AND CANS—Please place them in the baskets that are located on the school side of the Church on weekends or behind the rectory during the week.

CELL PHONES—Please bring your no longer used or needed cell phones and deposit them at the Scrip table in the Church lobby.

Even Used Inkjet Cartridges, Have Their Uses

We have found a way to help St Joseph and keep those complicated pieces of plastic, metal and printed circuit boards out of the land fill. Drop them off (in a plastic baggie) when you come to mass. We will send them to a company who reuses them and gives the parish a bounty for each. One note, to clear confusion, if it is larger than a fist, it is not an inkjet cartridge!!!
